How We Calculate Your Balance: We use a method called 'average daily balance' (including new purchases)

Introduction & Definitions:

This Business Credit Card Agreement ("Agreement") governs the Visa Business Platinum Credit Card Account ("Account") that Ideal Credit Union, whose principal place of business at 8499 Tamarack Road, Woodbury, MN 55125 ("IDEAL CU"), is establishing for use by the Business Member ("Cardholder"). Cardholder acknowledges that this Account will be used for business purposes only, and not for personal, family or household purposes.

In this Agreement the words "you" and "your" "yours," "applicant," and "members" mean Cardholder and each and all of those who apply for the Card. By keeping the Visa Business Platinum Card, signing it, using or permitting another to use it, you agree to all terms and conditions of this Agreement. "Card" means the Visa Business Platinum Card and any duplicates and renewals we issue. "Account" means your Visa Business Platinum Account. "We", "us" and "ours" hereinafter, IDEAL CU.

Responsibility & Promise to Pay

Cardholder, and any individual who personally guarantees payment of the Account, agree to pay IDEAL CU, when due, the total of all purchases and other advances made on the Account, plus any finance charges, or other charges incurred. You are responsible for any charges made by yourself, guarantors, and any authorized users of this Account, and this responsibility continues until the account is closed or terminated and all charges are paid in full.

IDEAL CU will send Cardholder a monthly statement. Cardholder will pay each month a minimum of the greater of (a) 2% of the outstanding balance shown on the monthly statement each month (excluding disputed charges), or (b) \$25.00; however, if the balance is less than \$25.00, the minimum monthly payment will equal the balance amount. Cardholder will make payments in U.S. Dollars at the address designated by IDEAL CU on the monthly billing statements.

Credit Line

Upon approval of your application, IDEAL CU will establish the Credit Limit on this Account. The Credit Limit will be shown on each monthly Account statement sent to the Cardholder. Cardholder agrees that the Credit Limit will not be exceeded. Should an attempted transaction exceed the Credit Limit, IDEAL CU may decline the transaction or may advance an amount that exceeds the credit limit. You agree to pay any overlimit fees and repay the excess immediately, even if we have not billed you yet.

All Visa Business Platinum Accounts will be reviewed on an annual basis. This review may include the credit bureau history of the Cardholder or any individual who personally guarantees the Cardholder's obligations, or asking the Cardholder or any individual guarantor for updated financial information. Upon review, IDEAL CU can (a) reduce the Credit Limit, (b) increase or decrease the rate based on the risk rating of the Cardholder, (c) terminate the Account, and/or (d) call the account due at which time the outstanding balance is due in full.

You may request an increase in your Credit Line which must be approved by our credit manager or loan officer. By giving you written notice, our credit manager may reduce your Credit Line from time to time, or with good cause, revoke your card and terminate this Agreement. Good cause includes your failure to comply with this agreement, or our adverse reevaluation of your creditworthiness. You may also terminate this agreement at any time, but termination by either party does not affect your obligation to pay the account balance. The Cards remain our property and you must recover and surrender to us all cards upon our request and upon the termination of the Agreement.

Card Usage

IDEAL CU will issue credit cards ("Card") in the individual names requested by Cardholder. The individual whose name is embossed on each Card is called an "Authorized User" and may conduct transactions using the card.

The Account is a revolving line of credit. The Cardholder may borrow up to the Credit Limit, pay down the balance, and borrow again up to the Credit Limit as long as the Account is in good standing and the Cardholder is not in default on any obligation with IDEAL CU.

To make a purchase or cash advance, there are two alternative procedures to be followed. One is for you or Authorized User to present the card to a participating Visa plan merchant, to us or another financial institution, and sign the sales or cash advance draft which will be imprinted with your card. The other is to complete the transaction by using your Personal Identification Number (PIN) in conjunction with the Card in an Automated Teller Machine or other type of electronic terminal that provides access to the Visa system. The monthly statement will identify the merchant, electronic terminal or financial institution at which transactions were made. Sales, cash advance, credit or other slips cannot be returned with the statement. You will retain copies of such slips furnished at the time of the transaction in order to verify the monthly statement.

IDEAL CU may also issue Convenience Checks upon Cardholder request. The Convenience Checks can, like regular checks, be written to any payee in any amount within credit limits. When the Convenience Check is presented to IDEAL CU for payment, IDEAL CU will, if signed by an Authorized User, loan the Cardholder money by paying the draft.

The Account may not be used for illegal transactions such as illegal online gambling. IDEAL CU reserves the right, but not the obligation, to refuse to honor any transaction IDEAL CU reasonably believes to be illegal, or to terminate the Account if it is used for unlawful transactions. The Cardholder, however, has ultimate responsibility for determining the legality of transactions made by using the Account. The Cardholder cannot use the actual or alleged illegality of an authorized transaction as a defense to the obligation to pay the charge.

Monthly Statements and Payments

Every month we will mail you a statement showing your Previous Balances or Purchases and Cash Advances, the new Purchases and Cash Advances on your Account and Unused portion of your Credit Limit, the New Balances of Purchases and Cash Advances, the Total New Balance, the finance charges due to date, and the Minimum Payment required. Every month you must pay at least the Minimum Payment upon receipt of your statement. You may pay more frequently, pay more than the Minimum Payment, or pay the total New Balance in full, and you will reduce the finance charge by doing so.

We will apply your payments first to late fees, then to finance charge on both Purchases and Cash Advances, then to the principal balances of Purchases in the order they were posted to your Account and then to the principal balance of Cash Advances. If two or more purchases were posted on the same day, your payment will be applied to the smallest first. You will be bound by all matters shown on each monthly statement unless you notify us in writing of any dispute within 60 days after the statement date in the manner required by the notice on the reverse side entitled "Your Billing Rights - Keep This Notice for Future Use."

Finance Charges

VISA Business Platinum - 25 Day Grace Period.

IDEAL CU can assess finance charges on the Account each month. Finance charge will consist of interest calculated for each billing cycle. You can avoid a finance charge by paying the full amount of the new balance of the Purchases each month within 25 days of your statement closing date. Otherwise the New Balance of Purchases, and subsequent purchases from date they are posted to your Account, will be subject to a finance charge. Cash Advances are always subject to a finance charge from the date they are posted to your Account with no grace period.

The finance charge is calculated at the periodic rate of interest, on the average daily principal balances of Purchases and Cash Advances in the account. The principal balance of Purchases and Cash Advances are determined each day during the statement period, beginning with the principal portion of your Previous Balances, reduced by payments you make and credits we apply, and increased by Purchases and Cash Advances you make and debit adjustments we make during the statement period. The daily principal balances are totaled, and divided by the number of days in the statement period, to produce separate average daily principal balances for Purchases and Cash Advances to which the periodic rate shown below is then applied.

Variable Annual Percentage Rate (APR)

The APR assigned to this Account will be variable determined monthly by adding percentage points (**Margin**), determined by IDEAL CU, to The Wall Street Journal *Prime Rate (Index)* quoted in "Money Rates" section on the 5th day of each month, or if the Prime Rate is not published on that date, then as published on the immediate preceding date. The rate will take effect with your billing period ending the following month. If the periodic rate and corresponding APR increases, the Finance Charge will increase and your Minimum Payment may be greater.

Margin

Purchases will be charged at 6.00%, 8.00% or 10.00% above Index depending on your rate tier. Balance transfers and Cash Advances also will be charged at 6.00%, 8.00% or 10.00% above the Index.

Late Charges

If any payment is 10 days or more late, you will be assessed a late charge of 10% of the payment amount with a minimum of \$25.00 and no maximum.

Default

The following events are Cardholder defaults under this Agreement:

- Cardholder's failure to make payments when due.
- Cardholder's breach of any term of this Agreement.
- Cardholder's breach of any other agreement with IDEAL CU.
- The initiation of a bankruptcy or other solvency proceeding in which Cardholder or any personal guarantor of Cardholder's obligations is the debtor.
- A material decline in the financial condition of Cardholder or any individual personally guaranteeing Cardholder's obligations under this Agreement.
- Presentation of items for payment of the Account that are returned unpaid for any lawful reason.
- The failure of Cardholder or any individual personally guaranteeing Cardholder's obligations under this Agreement to provide financial information upon request by IDEAL CU.

If Cardholder defaults under this Agreement, IDEAL CU has the right to demand immediate payment of your full account balance, close the Account and/or any other account Cardholder maintains with IDEAL CU, and/or raise the Annual Percentage Rate on this Account. To the extent permitted by law, you will also be required to pay our collection expenses including court costs and reasonable attorney fees.

Default APR

If you are past due on two billing cycles within 60 days your APR will change to the **default Annual Percentage Rate of 17.99%**. The rate will remain the default rate until you have made 6 consecutive Minimum Monthly Payments on time and are not in violation of this Agreement. At such time the rate will convert to the current rate based on your credit score.

Security Interest

By signing this Agreement, you specifically grant us a security interest in any other accounts or shares that you have any interest in at IDEAL CU. In the event of a default under any of the provisions of this account, you authorize us, subject only to any notice provisions contained in this Agreement or otherwise required by law, to offset the amounts owing or in default from this account, by any balances you have in any other IDEAL CU account. In the event that IDEAL CU exercises this right, IDEAL CU will notify you within five days of all amounts taken from such other accounts and applied against the delinquent balance or other fees owing under this account.

Bankruptcy

If you are entitled to bankruptcy protections for your account, this communication is only for informational purposes. It is not an attempt to collect, assess or recover a debt or claim. Do not send payments directly to us without speaking to your bankruptcy attorney or the Bankruptcy Court. If you want to contact us about your account or your bankruptcy proceeding, please have your attorney contact us.

You understand that IDEAL CU reserves the right to review your loan file and you hereby give permission and authorize IDEAL CU to investigate and reassess your creditworthiness including the right to make inquiries as deemed necessary pertaining to your employment, credit standing, and financial responsibility from time to time as IDEAL CU may determine.

Returns and Adjustments

Merchants and others who honor the Card may give credit for returns or adjustments, and they will do so by processing the credit adjustment through the Visa system. If your credits and payments exceed what you owe us, we will hold and apply this credit balance against future purchases and cash advances, or if it is \$1.00 or more, refund it upon your written request, or automatically after 6 months.

Processing of Payments

IDEAL CU will generally post payments received on the Account effective the business day of receipt. Business days are Monday through Saturday excluding holidays. A payment received after normal business hours or received on a non-business day will be posted on the next business day. IDEAL CU reserves the right to delay making the credit limit available, or to delay refunding credit balances, until final collection of non-cash items presented for payment on the Account.

Plan Merchant Disputes

We are not responsible for the refusal of any plan merchant or financial institution to honor your card. Subject to your rights under the Federal Fair Credit Billing Act or other applicable law, we have no responsibility for merchandise or services purchased under this Account and you agree to pay us for all purchases made, even though a dispute may arise with respect to such purchases.

IDEAL CU can change the terms of this Account at any time by notifying Cardholder in writing. Unless prohibited by law, any changes in terms will apply to any balance outstanding as of the effective date of the change as well as to future borrowing.

Changes in Guarantors

If IDEAL CU has required any individual to personally guarantee Cardholder's obligation under this Agreement and either the Cardholder or the guarantor wishes an individual to be relieved of his or her guarantee obligation, either the Cardholder or the guarantor may notify IDEAL CU in writing. The guarantor will remain obligated for all amounts borrowed under this Agreement up to the time IDEAL CU receives the guarantor's notice unless IDEAL CU agrees in writing to release the guarantor. IDEAL CU also has the right to require Cardholder to provide an acceptable substitute personal guarantor or close the Account.

If an Account has no transactions for 12 months and no outstanding balance, IDEAL CU may terminate the Account for inactivity. Upon termination, Cardholder agrees to destroy all issued Cards and Convenience Checks. Termination of the Account will not relieve

Cardholder or individual guarantor of their obligation to pay any balance outstanding as of the effective date of the termination according to the terms of the Agreement. Interest on outstanding balances will continue to accrue at the rate called for by this Agreement until paid in full, even after termination of this Account, regardless of reason for termination.

Credit Information

YOUR BILLING RIGHTS KEEP THIS NOTICE FOR FUTURE USE

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

What to Do If You Find a Mistake on Your Statement

If you think there is an error on your statement, write to us at: IDEAL CU, Customer Service, P.O. Box 31112, Tampa, FL 33631-3112.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar Amount:** The dollar amount of the suspected error.
- **Description of the problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us:

- Within 60 days after the error appeared on your statement
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

What Will Happen After We Receive Your Letter

When we receive your letter, we must do two things:

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain to you why we believe the bill is correct.

While we investigate whether or not there has been an error:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- If we made a mistake: You will not have to pay the amount in question or any interest or other fees related to that amount.

- If we do not believe there was a mistake: You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us. If we do not follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50.
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: IDEAL CU, Customer Service, P.O. Box 31112, Tampa, FL 33631-3112.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
