For those with more of the future in mind.

Once you've opened your FREE Student Checking Account, you are also eligible to open a Student Savers CD which earns a huge rate!* The special Student Savers Certificate of Deposit (CD) was designed to help teach teens the benefits of savings by paying an above-market rate. The Student Savers CD is available only for members age 14-17. The term will vary because the Certificate's maturity date is the teen's 18th birthday. Funds will be deposited into the student's Share Savings Account during the month of their 18th birthday.

- Once loan is paid in full, the funds on hold in your account are released and now are yours to use!

*Proceeds are held in the Share Savings Account until the loan is paid in full. Loan rate varies as share rate changes. Monthly or biweekly payment options available. If delinquency exceeds 61 days, share account will be cashed out and the loan repaid in full. Auto pay may be required. Terms and conditions are subject to change. Not all members will qualify. Depending on members' specific circumstances, it is possible that not all members will have a stronger credit record at the end of the term.
